Djibouti - Sender ID Guide

How to register a branded Sender ID in Djibouti - currently free to raise.

◆ WHY A SENDER ID

A Sender ID is the name recipients see instead of a number - it builds trust and brand recognition. Promotional IDs suit marketing; transactional IDs are for OTPs, bank alerts and service messages and are strongly recommended for critical traffic.

Single national operator (Djibouti Telecom / Evatis). Sender ID passes through; provisioning is immediate to ~24h.
