

MESSAGING ACROSS AFRICA

COVERAGE

Africa Coverage Map

Direct and partner routes to every mobile network across all 54 African countries.

CONTINENT-WIDE REACH

We route to every GSM network in Africa. Core markets have direct operator or aggregator connections for the best latency and delivery; all other markets are served through vetted regional partners with delivery-report support.

REGIONAL COVERAGE

Region	Key markets	Route type
East Africa	Kenya, Uganda, Tanzania, Rwanda, Ethiopia	Direct / aggregator
West Africa	Nigeria, Ghana, Senegal, Cote d'Ivoire	Direct / aggregator
Southern Africa	South Africa, Zambia, Zimbabwe, Botswana	Direct / partner
North Africa	Egypt, Morocco, Tunisia, Algeria	Partner
Central Africa	Cameroon, DR Congo, Gabon, Chad	Partner

Need a specific network or a dedicated route? Talk to us - we provision new connections on request.
